COLOURS FOR PEACE **TUESDAY 20 MARCH 2018**

To commemorate the 25th Anniversary of the Warrington Bombing, the Tim Parry Johnathan Ball Peace Foundation would like to unite with businesses and organisations to all come together for Peace.

On Tuesday 20th March 2018, we kindly ask teams and colleagues to join us in a “dress down” fundraising day, where people can wear the Peace Foundation colours: blue, green and/or white. A small donation will go towards supporting our victims of terrorism and their families through our Survivors Assistance Network and it will allow us to continue to support communities that are in conflict.
